We Respect Your Privacy

On our site, we do not collect personally identifiable information from individuals unless they provide it to us voluntarily and knowingly. This means we do not require you to register or provide information to us in order to view our site.

YWCA only gathers personally identifiable data, such as names, addresses, zip/postal codes, email addresses, etc., when voluntarily submitted by a visitor. For example, personally identifiable information may be collected in order to respond to a stated desire to register for an event, to receive the newsletter, or to make a financial contribution online. This information is used solely by YWCA or other entities who are involved in the operation of this site for internal purposes.

YWCA Lists Are Never Sold to Third Parties

We only share personally identifiable information with third parties when (i) the person submitting the information authorizes us to share it; (ii) sharing the information is a necessary operation of the site, for instance, to process a credit card transaction, or (iii) we are required to by law. YWCA has no control over or responsibility for the data collection and use practices of third parties that process online donation credit card transactions.

Your Credit Card Information is Secure

We care about the safety and security of your transaction. Our partners in processing your credit card gift employ a Server Digital Certificate and the Secure Sockets Layer (SSL) Protocol to encrypt all data traffic. They use high grade encryption and the https security protocol to communicate with your browser software. This method is the industry standard security protocol, which makes it extremely difficult for anyone else to intercept the credit card information you send us. You may also make a donation by calling us at 719-542-6904.
